

PUBLIC NOTICE: SERVICE DISRUPTION

Issued By: National Rail Services

Date of Issue: 26 October 2023

Notice Reference: NRS-ENG-1026

Customer Service: 0800 123 4567 | @NRS_Help

1. SUMMARY OF CHANGES

This notice informs passengers of **major service alterations** on the **Northern Corridor Line** due to a critical phase of our infrastructure upgrade program, **The Northern Renewal Project**.

- **Period:** From **00:01 Saturday, 4 November 2023** to **23:59 Sunday, 5 November 2023**.
- **Affected Section:** All lines between **Grand Central Station** and **Northwood Junction**.
- **Impact:** No train services will run on this section. A full rail replacement service will be in operation.

2. DETAILED TRAVEL ARRANGEMENTS

Passengers are strongly advised to plan ahead and allow significant extra time for their journeys.

- **Rail Replacement Services:**
 - **Express Coach Service:** Non-stop between Grand Central and Northwood Junction.
 - **All-Stations Bus Service:** Stopping at all intermediate stations (Central Park, Weston, Elmwood).
 - Buses will be clearly signposted and will depart from directly outside the stations.
- **Revised First & Last Services:**
 - First bus from Grand Central: 05:15
 - Last bus to Grand Central: 23:45
 - *(Check our website for full timetable)*
- **Ticket Acceptance:**

- Your ticket will be accepted on all replacement bus services.
- Tickets for the Northern Corridor Line will also be accepted on parallel services operated by **City Connect Railways** via the Midlands route for journeys to and from the North.

3. REASON FOR DISRUPTION & BENEFITS

This essential work is a key part of our £50 million investment into a more reliable railway. Over this weekend, our engineers will be:

- Replacing 2km of worn-out track.
- Upgrading signalling equipment at Northwood Junction.
- Installing new, more resilient overhead line equipment.

This work will result in **fewer delays and more robust services**, especially during extreme weather, and paves the way for future service increases.

4. PASSENGER ADVICE

- **Check Before You Travel:** Use the National Rail app or website for live journey planning.
- **Station Staff:** Our team will be on hand at key stations to assist you.
- **Accessibility:** Accessible buses and assistance can be pre-booked by calling 0800 123 4567.

We sincerely apologise for the considerable inconvenience this essential work will cause. This investment is crucial for building a modern, reliable railway for the future.

Thank you for your patience and understanding.

James Wilson
